

### Adventure 3: Make Our School Go Green – Energy Clues

#### CLUES FOR TEAM ENERGY CHAMPIONS

Treasure hunt date:

Team members:

**Part 1: These clues will help you find out how Energy Efficient your school is.**

*You can solve many of these on your own. For the trickier ones, reach out to your school staff for guidance :P*

Are the lights always turned on in empty classrooms?	Yes	No
Are the lights turned off when there is enough sunlight?	Yes	No
Are electrical devices switched off when not in use (like computers and projectors)?	Yes	No
Is the air conditioning always on?	Yes	No
Is the air conditioning left on when the windows are open?	Yes	No
Does the school have an energy efficiency goal or target?	Yes	No
Does the school use renewable energy?	Yes	No
Does the school keep track of its energy use?	Yes	No
Do your fellow students understand the importance of energy efficiency and conservation?	Yes	No

**Part 2: What's the best way to go green?**

*Work with your team to piece the clues together and build a plan for your school to become more Energy Efficient.*

Your school's bad habits	How can these be changed or improved upon?
