

Adventure 3: **Make Our School Go Green – Water Clues**

CLUES FOR TEAM WATER CHAMPIONS

Treasure hunt date:

Team members:

Part 1: These clues will help you find out how Water Efficient your school is.

You can solve many of these on your own. For the trickier ones, reach out to your school staff for guidance :P

Are there any dripping or leaky taps in the school bathrooms and facilities?	Yes	No
Do your fellow students close the water taps tightly after each use?	Yes	No
Do students and staff use too much water when washing their hands?	Yes	No
Do students and staff wash their hands for too long?	Yes	No
Do students understand the importance of saving water?	Yes	No
Have you learned about water efficiency in school?	Yes	No
Does the school have water efficiency goals?	Yes	No
Does the school have plans to use grey water?	Yes	No
Does the school keep track of its water use?	Yes	No

Part 2: What's the best way to go green?

Work with your team to piece the clues together and build a plan for your school to become more Water Efficient.

Your school's bad habits	How can these be changed or improved upon?
